

## Lung Health Image Library

understanding **Author:** Stop TB Partnership World Lung Foundation

**Publication Date:** 2006

**Format:** Online Resource

**Physical Description:** online resource

**Language:** English

### Abstract:

An online image library that includes thousands of high and low resolution photographs relating to tuberculosis, TB/HIV, health workers, patients, community health education, and social mobilization for lung health. Members of the Stop TB Partnership and The Union, as well as any nonprofit organization working in the field of lung health, may access and download the images for free. Users can search the library by particular lung health topics; by country or region; or by thematic secondary categories, such as poverty, women, and treatment.
